2018 SILHOUETTE NAPA VALLEY CHARDONNAY

"This medium gold-hued beauty boasts a terrific nose of caramelized stone fruits, Meyer lemons, white flowers, brioche, honeysuckle, and a kiss of green almond. It's a rich, medium to full-bodied Chardonnay with wonderful overall balance, nicely integrated acidity, background oak, and an incredible sense of richness balanced by plenty of freshness. It's going to keep for 4-6 years, if not longer."
