2020 SILHOUETTE NAPA VALLEY CHARDONNAY

"A solid step up, the 2020 Chardonnay Silhouette comes from a single block, with full malolactic fermentation and aged in 40-50% new barrels, some being larger format. Killer notes of crushed stone, honeyed flowers, pineapple, and subtle tropical fruit notes give way to a medium to full-bodied, vibrant, clean, incredibly classy Chardonnay that should evolve nicely for 7-8 years"
